PAWPRINTS

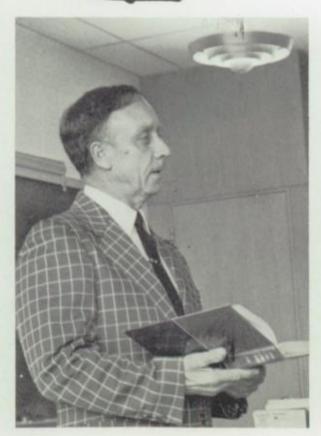

Dedication

The **Pawprints** staff dedicates this 1980 yearbook to Mr. Ross D. Miller, who completes 31 years of teaching in the Northern Bedford County School District this term.

After graduating from West Chester College in 1949 with a Bachelor of Science Degree in mathematics, he began his teaching career at Replogle, where he taught eight periods of math a day to the junior and senior high school students. He even kept attendance records and rang the bell for the changing of all classes. In addition, he coached varsity baseball.

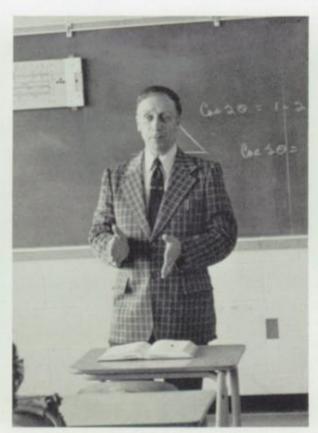

During the summer months of 1952, he attended the Pennsylvania State University and earned a Penn State Master of Education degree in counseling.

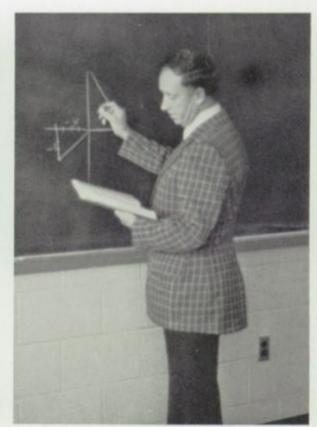

In the spring of 1963, he began teaching at the new Northern Bedford County High School building.

Mr. Miller, who is a model railroad buff, has collected model trains and visited numerous train shows. He is never too busy to show students who come by his home in New Enterprise his train set, which nearly covers the Millers' basement.

Best wishes to Mr. Miller who has earned the friendship and respect of the faculty and students of Northern Bedford.

Our Lives Are Filled With Memories Of Yesterday And Visions Of Tomorrow

Pink Carnation Dipped in Burgandy

Pink and Burgandy

Mel Harclerode, Secretary; Sandy Snyder, Treasurer; Tim Wachter, Vice-president; and Barry Crawford, President. Advisers: Mrs. Morse, Mr. E. King, Mr. Moyle, and Mr. Dilling.

To all the people who worry about the really small things in life, my advice to you is change your outlook and look on the bright side. First of all, the days are going to pass whether you're happy or sad, and they're much more enjoyable if you're happy. School days may seem boring and a real drag now, but the ideal situation is to make them less boring. Someday you'll be sitting in studyhall or the cafeteria, when you'll start talking about all those great times you've had with your friends, and you'll say, "Boy! School wasn't so bad after all." So take the work and pain in stride and turn them into memorable moments that you will never forget.

The 1979 Panther football team had its ups and downs this season. It compiled a winning record of 5-4 with three of the four losses coming at the hands of fine football teams.

First-year head Coach Joe Nastasi had this to say about his team. "The '79 edition of Panther football had many unseen problems but still learned valuable lessons in discipline, preparation, sportsmanship and dedication. Both in victory and defeat the Panthers maintained a touch of class.

Once again the Northern Girls compiled a winning season of 24 wins and 4 losses. The feline Panthers qualified for inter-district play by successfully defending their district crown. They handed Shanksville a 66-52 loss. However, hope for sweet revenge and further play was crushed by a 58-49 loss to Bishop McCort. In tourney action, the cagers won the Juniata Valley Tournament and placed third in the Altoona Invitational.

Leading the team and setting a career milestone was Robin Imler, scoring 1,048 points and averaging 18.0 points per game. Deb Koontz finished with an 11.0 average and was career leader in assists. Imler, Koontz and Deb O'Neal, who added board strength, were named to the Bedford County All-Star Team. Katie Oakes received honorable mention and Sonya Oakes received second team selection.

This year's NB Panther band proved to be a very successful one. The band received standing ovations for its "Big Country '79" routine performed at away football games.

On October 29th, the band marched in the Bedford Halloween parade taking first place over the other Bedford

County bands.

Also, in October, the band traveled to Elkins, West Virginia, where it "pounded the pavement" to another first-place trophy.

The Meyersdale Maple Festival saw the Panther Marchers grab yet another honor by capturing first place over all classes of the schools participating in this parade.

On May 3rd, the band appeared in the Apple Blossom Festival in Winchester, Virginia, where it captured third place in a division of 22

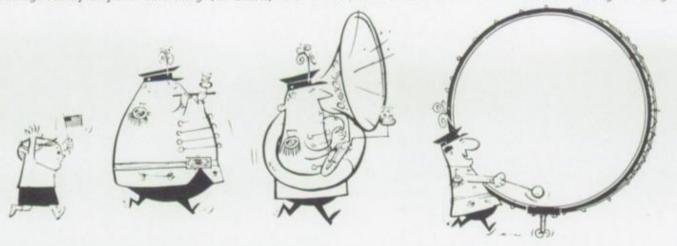

The band concert was held April 17, 1980, in the high school auditorium.

Band director Mr. Melvin D. Van Orman commented on this year's band students. "They were a most dynamic group of people. I was proud of them all the way!"

Dumb Swede!

ROLAND SUENSSON

Dedication

Roland Svensson of Jonkoping, Sweden was Northern Bedford's Exchange Student for the 1979-1980 school year.

He was born to Finar and Gunda Svensson on October 5, 1961.

Roland studied English for eight years before traveling to America. He is staying at the Herman Clouse home in Bakers Summit.

With the Clouse family, Roland has visited the National Aerospace Museum and the National Zoo in Washington, D.C., a baseball game in Pittsburgh, the New Jersey Shore, Niggra, Falls, and Disney World.

Roland arrived in America on July 16, 1979 and will return to Sweden in July 1980. Upon his arrival at Northern Bedford, Roland quickly became involved in Band, Chorus, FBLA, Forensic Club, and Track. His hobbies are skiing and playing guitar. Roland lettered in Track, Chorus, and band, and was also given the Lifetime Band Member Award. He was also made an honorary member of Northern Bedford's FBLA Chapter.

When asked if there was anything he still wanted to see here, he replied, "I've seen a lot and I am quite satisfied with that."
